# Configure and connect

Light neutrals palette

Duet™ is a high density stacking chair with versatility and poise. Use individually around a table or connect in rows in a conference room. Duet stacks up to 40 high on a dolly to store or transport. Choose from our palette of contemporary colors.

Armchair shown in Fog. Armless chairs shown in Frost and Latte.

---

## Stack and store

Dark neutrals palette

Backed by Global's Lifetime Warranty, Duet features a lasting solid steel frame and durable polymer seat and back. Duet is manufactured in North America in an ISO 14001 facility.

Armless chairs shown in Night and Eggplant. Task chair shown in Ink with upholstered seat in Allante, Cadet.

---

## Line them up

Brights palette

Duet's wall saver design provides a worry free solution. Rear legs extend past the seat back to ensure clearance between the wall and the back of the chair. With options that include arms, upholstered seats and backs, a folding tablet and a backpack rack, Duet is suitable for workplace and education environments.

---

# Belong anywhere

Duet offers the versatility to belong in any environment. Bar and counter height stacking stools suit common areas and cafeterias, while task and drafting stools offer flexibility in workspaces. For busy learning environments, the durable tablet model is a space-saving option.

Task stool shown in Sand with upholstered seat in Allante, White. Counter height stool shown in Scarlet. Armless chair with tablet shown in Shadow.

# Color it your way

Our brights palette creates lively learning spaces, while light and dark neutrals reflect the latest trends in workplace environments. Pair Duet seating with matching Duet stacking tables available in a refined array of colors.

# It's in the details
